

Incoming **8th** Grader taking **Pre-Algebra**,

All incoming 8th graders who are taking Grade Level Mathematics (Pre-Algebra) are asked to work on an optional enrichment assignment in Khan Academy over the summer. It is due by **Friday, August 28th.**

For your first time logging into Khan Academy you will be prompted to answer a series of questions. Answer them appropriately for your grade.

You are to work on the **Mastery Challenge**.

Below are instructions on how to log into the program.

- Be sure NO ONE ELSE is logged into Google on the computer you are using.
 - Go to www.khanacademy.org
 - Click on the Log In Tab
- [Donate](#) [Login](#) [Sign up](#)
- Sign in with Google

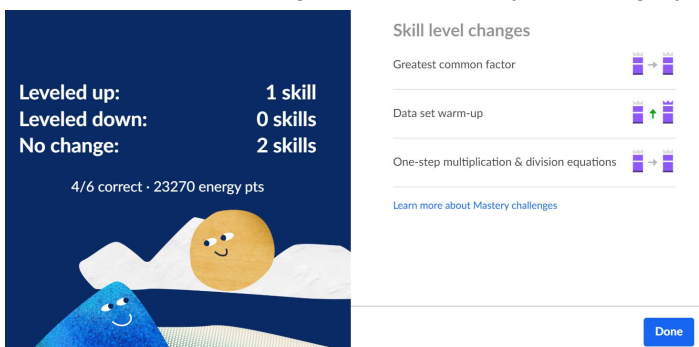

*You may be asked to enter your **school email and password**

You should see the home screen and under **MY STUFF** on the LEFT side of your screen click on your 7th Grade Math Class

In the center of your screen you should see the following icon above a list of 7th grade topics.

After completing the first Mastery Challenge you will see a screen like this:.

When you click **done** you will be taken to the next topic. There will be a BLUE BORDER at the top of the section you are to work on. Scroll down the page to find it. See example:

Equivalent ratios
Visualize ratios
Ratio application

Intro to percents
Percent, decimal, fraction conversions
Percent problems
Percent word problems

Up next for you:
Arithmetic operations

760/2200 Mastery points

Adding decimals
Subtracting decimals
Adding and subtracting decimals word problems
Multiplying decimals

Dividing whole numbers
Dividing decimals
Dividing fractions by fractions
Exponents
Order of operations

Continue

Khan academy will remember where you left off. When you go back in look for the blue border at the top of the unit to work with or click on Mastery Challenge if it reappears.

You may see this button to continue the assignment:
